I am a Multimedia and Graphic Design student with a particular interest in branding, visual identity and digital solutions. I am interested in exploring how design combines creativity and strategy to develop visual solutions that are engaging, functional and coherent.

EXPERIENCE

Creative Art Trainee - WPP Production, Madrid
September 2026 – Present

- Development and adaptation of graphic assets for Movistar, primarily focused on in-store communications and point-of-sale materials.

Graphic Design Intern - WSC, Madrid
September – December 2025

- Supported the development of branding, visual identity and graphic design projects for a range of clients. Supported the design of digital interfaces in Figma.
- Conducted visual research, benchmarking and reference sourcing to support project development.
- Collaborated with the design team throughout all stages of the creative process, from concept development through to final delivery.
- Adapted designs in response to team feedback and client requirements.
